

WORKING TOGETHER TO BUILD A BETTER COMMUNITY

Event Child Protection Policy

The Wood Street First (hereinafter called "WSF") event organisers have decided that the following child protection policy will be put in place for the protection of all children at events organised by WSF.

All Children attending events organised by WSF must be accompanied by an adult parent or guardian. This is confirmation that all children involved in the activities being provided at our events/activities will be accompanied by a parent/guardian at all times and will be supervised by their parent/guardian at all times. Signs will be displayed at all WSF events reminding parents/guardians to supervise children.

There will always be a Safety Officer appointed for every event organised by WSF. He or she will be the designated child protection officer for that event. The Safety Officer will oversee the safety of all those at the event/activity and will take special care to ensure all children at the event/activity are being appropriately monitored and cared for and supervised by their parents/guardians at all times. Police Officers and Event Stewards will be patrolling the event to ensure the wellbeing and safety of all those at the event.

To protect children and other visitors to the event no moving vehicles or bicycles will be permitted on the event site during the event. All power cabling will be run outside the event zone area. Any trip hazard or slippery areas will be clearly identified. Safety notices will be displayed where required.

To protect and assist children and anyone requiring assistance at WSF events/activities a clearly designated Stewards help point will be open at all times. Police and a First Aid Officers will also be at the event if deemed necessary.

A detailed risk assessment and Health & Safety check will be carried out to ensure the safety of children and all other visitors to the events/activities. All WSF events will be fully covered with Public Liability Insurance where deemed necessary. At least 2 competent D.B.S checked Stewards will be at all events/activities to oversee the safety of all children at the event/activity.
